Keep your eye on Pearline "ads."

Even if you use it already, you'll find hints here and there that will greatly help you. And there isn't a man, woman, or child but can be helped

by Pearline. All these advertisements are meant for the good of Pearline, of course-to show you the best

and easiest and cheapest way of washing and cleaning, and to lead you to use it. But if they do, they will have helped you far more than they will have helped Pearline. You have more at stake. All the money you could bring to Pearline, by using it, wouldn't be a drop in the bucket to the money you'd save by it.

Send Peddlers and some uncerpulous grocers will tell you "this is as good as" or "the same as Pearline." IT'S FALSE—Pearline is never peddled, it Back honest—tend it back.
